Meeting of Hispanic Communities:

In November some 42 sisters from Hispanic Communities met at the Pastoral Center to pray, reflect, and to enjoy friendship and hospitality. At this gathering two sisters who had attended the Second National Hispanic Encuentro in Los Angeles in August enthusiastically shared on that experience. Sr. Noemi Games, RMI, and Sr. Teresa Gonzalez, HJ, explained the process used at the Encuentro and their own personal response. The participants then divided into small groups to reflect on the "Declaration of the Second Encuentro of Hispanic Religious in the United States" that was the outcome of that gathering. All were enthusiastic in their affirmation of the statement that originated from this gathering. Seven sisters formed a committee to carry the process forward. The next gathering of the group, with Archbishop Gustavo in attendance, is scheduled for March 25, 2012.

Fall Gathering of Religious:

Archbishop Gustavo met with 200 + religious women and men at St. Luke's Parish in late October. It was an opportunity to hear about the Archdiocese from the Archbishop's perspective, as he neared his first anniversary as our shepherd. It was also a time for conversation on some of the issues and concerns facing religious life today. In his reflection the Archbishop focused on three key ideas; gratitude, encouragement and challenge reminding us that our witness is very much needed in today's world. Our thanks to St. Luke's Parish for the use of their beautiful facilities. Thanks also to Sr. Mary Tomayo, FMA and Sr. Helen Marie Miksch, CDP, who shared their experience of the morning in a Today's Catholic article.

Acopio (Reunión) de caída de Religioso:

Arzobispo Gustavo se encontró con 200 mujeres religiosas y hombres religiosos en la Parroquia de San Luke a finales de octubre. Era una oportunidad de oír sobre la Arquidiócesis desde el punto de vista del arzobispo, cuando él se acercó a su primer aniversario como nuestro pastor. También era un tiempo para conversación y hacer algunas preguntas, ideas y preocupaciones que están enfrente de la vida religiosa hoy. En su reflexión el arzobispo se concentró en tres ideas claves, gratitud, estímulo y desafío que nos recuerda que nuestro testimonio es muy necesario en el mundo de hoy. Nuestras gracias a la Parroquia de San Luke por el uso de sus hermosas instalaciones. Gracias también a Sr. Mary Tomayo, FMA y Sr. Helen Marie Miksch, CDP, quién compartieron su experiencias en la mañana y en un artículo en el periódico Today's Catholic.
