***ENDOW (Educating on the Nature and Dignity of Women)** is a national Catholic educational organization that provides women with a forum through which to explore and understand what it means to be a feminine person created in God's image. It's so good that Archbishop Gomez volunteered to serve on the Board of Directors!*

***ENDOW educates and inspires women through small study groups.** The series includes twelve different available programs (no homework involved!) that engage the intellect and imagination of women in all walks of life by providing knowledge and fellowship in an intimate group setting to better understand and personalize their Catholic faith.*
