### KEYNOTE SPEAKER

**Jason Evert**

Today's teens experience greater temptations than ever before. In the midst of this cultural assault against innocence and virtue, young people need convincing reasons to practice the virtue of chastity. Some think that "chastity" simply means "not having sex." But that's mere abstinence: what you can't do and can't have. Chastity is more than that, it is about what you can do and have—right now: a lifestyle that brings freedom, respect, peace, and romance without regret. Jason Evert earned a master's degree in Theology, and undergraduate degrees in Counseling and Theology, with a minor in Philosophy at Franciscan University of Steubenville. He is the author of more than ten books, including *If You Really Loved Me*, *How to Find Your Soulmate Without Losing Your Soul*, and *Pure Intimacy*.

Jason is an apologist for Catholic Answers, the nation's largest lay-run apostolate for apologetics and evangelization. He has spoken on the virtue of

chastity to more than one million parents, married couples, and teens around the world, including World Youth Day in Australia and in Spain.

Jason is a frequent guest on radio programs around the country, and his television appearances include Fox News, MSNBC, Donahue, BBC, and WGN. He and his wife Crystalina Evert have hosted a TV series for EWTN, including "The Pure Life," and "Theology of the Body for Teens."

### BAND INFORMATION :

**Surrender**

Surrender is a Catholic band that exists to ignite revival in the lives of today's teens. Surrender's lead singer and bass guitarist Peter Gutierrez is a four time grammy nominated musician that longs to see Jesus exalted in families, youth groups, and in the community. Although they aspire for people to sing great worship songs, Surrendered is primarily committed to helping youth come into God's presence through worship. By singing we pray twice...we encounter His extravagant love of raw healing power.
