

## Should our school participate virtually or in-person?

### In-Person Fun Run Option

- Is our school within 30 minutes of 5K event location?
- Do we have a few volunteers to help with "day of event" needs? (Booth set up, entertainment organization, etc.)
- Do we have a group that would like to perform at the event location? (Band, cheer, dance, choir, etc.)
- Would our school like to participate in a fun community event with other schools in the Archdiocese?
- Would we like to join in an outdoor Mass with Bishop Gary Janak?

### Virtual Option

- Is our school more than 30 minutes of 5K event location?
- Do we have 10-20 Volunteers to host an on-site 5K event at our rural or out of town Catholic School? (Booths set up, water stations, start/finish line, etc.)
- Would our school like to participate in a fun community event where we pick the location and the start times?

### Our recommendation? Do Both!

- This will get the greatest amount of participation!
- Look for unique ways of getting alumni involved.
- Encourage the greater parish/school community to get involved!
- Encourage everyone to participate no matter where they are.
- Have representatives come to the in-person event.
