

Offerings from *Our Sunday Visitor* (OSV) available to all OSV customers

These flipbooks and at-home lessons have always been free for our customers, but given these times, instead of capitalizing opportunistically on parishes in need, **OSV has decided to offer these same digital resources to any parish or school in need of at-home support for the next six weeks.** These credentials are temporary, and will be changed out in 6 weeks.

All passwords are in red.
